

HELPING
YOU BUILD
RESILIENCE
CAPABILITIES
for RAPID
CHANGE,
INCREASING RISK &
UNCERTAINTY

In a
rapidly evolving
environment, today's
value proposition will
differ from tomorrow's

The complex interactions between change drivers such as increased competition, shifting customer and market demands, economic, societal, regulatory and political changes, not to mention digital disruption and cyber-risk all add up to an increasingly volatile business world.

Question is, how are you and your organisation protecting and growing your value propositions in the face of increasing disruption, change, risks and uncertainty?

SERVICES INCLUDE:

- Adaptive Strategy & Architecture
- Leadership Development & Mentoring
- Thought Leadership & Actionable Insights

Our expert, independent services are aimed at helping organisations and leaders flourish in the face of accelerating change and competition.

OUR SERVICES

STRATEGY & ARCHITECTURE

Strategy and Architecture is a core platform for business optimisation, innovation and transformation.

New, digitally enabled ways of working and living require a fundamental shift in the design and implementation of business strategies and architectures.

An adaptive enterprise strategy and architecture capability will protect, optimise and grow business value in the face of increasing disruption, change, risks and uncertainty

We offer expert services aimed at

- Strategy & Architecture practice setup
- Strategy & Architecture practice review & uplift
- Strategy & Architecture design
- Strategy & Architecture effectiveness review
- Strategy & Architecture road-map & implementation planning

COACHING & LEADERSHIP

Equipping business leaders and professionals with the right Strategic Leadership capabilities for the digital era with programs backed by expert, practice oriented Coaching & Mentoring.

We offer three mentoring and leadership development programs:

- Individual Coaching and Mentoring
- Strategic Leadership in the Digital Era (Teams)
- Strategic Leadership in the Digital Era (Teams) + Individual Mentoring

THOUGHT LEADERSHIP

Distilling the complex risk, value, cost and regulatory interactions that make up our fast changing technological world - then delivering practice oriented, valuable insights with authority to positively challenge your audience in an engaging manner. THE RESULT: ACTIONABLE INSIGHTS.

We offer independent, expertly researched, up-to-date :

- Keynotes and event round-tables
- Workshop / event development and facilitation
- Executive and team off-sites

ABOUT

Since 2010, Livingstone Advisory has helped individuals and clients spanning in excess of 40 different industry verticals achieve their own goals as well as their organisation's.

ROB LIVINGSTONE - PRINCIPAL and OWNER

For more than three decades Rob has amassed senior managerial experience, substantially as CIO in multinational corporations.

Prior to entering the IT world as a CIO in the mid '90s, Rob held several senior operational, strategic advisory and executive positions in a range of industries both locally in Australia and overseas. These included defense-aerospace, manufacturing, public utility, packaging, construction through to logistics.

**Rob Livingstone
Principal**

Since its inception in late 2010, Rob's practice has helped individuals and organisation spanning more than 40 different industry verticals.

Rob has authored three books, is a columnist, speaker and regular news media commentator. A former Fellow of the University of Technology, Sydney's Faculty of Engineering and IT, Rob lectured to higher-degree students on leadership, strategy and innovation..
